

SB 261 Climate Risk Report – Coming Soon

We're preparing our first SB 261 Climate-Related Financial Risk Report in alignment with California's Climate-Related Financial Risk Act (SB 261) and global standards (TCFD / IFRS S2).

What to Expect:

- Governance: Oversight by our Board and Sustainability Committee.
- Strategy: Assessment of climate-related risks and opportunities across short-, medium-, and long-term horizons.
- Risk Management: Integration of climate risk into enterprise risk management.
- Metrics & Targets: Key indicators and resilience goals.
- Scenario Analysis: Evaluation under multiple climate scenarios.

Publication Timeline:

Our inaugural report will be published on this page once finalized and will be submitted to the California Air Resources Board (CARB) docket as required.
