Car and Truck Painting

Supplies:

- Washable cars and trucks
- Paint
- Large piece of paper, if you don't have large paper use the back side of wrapping paper – optional – tape to secure paper to table

Directions:

- Prepare the area by securing the paper to the table using tape (this is optional)
- Pour out a small amount of various colors of paint
- Dip the vehicles wheels into the paint and then have your child drive them on the large piece of paper
