Pendulum Painting

Supplies:

- Cardboard boxes, tubes, tape
- Paint, paper, and string
- Paper cups

Directions:

- Build a structure with the boxes and use the tube as a crossbeam
- Make a hole in the bottom of the paper cup
- Attach the paper cup to the crossbeam using string
- Add paint to the paper cup
- Encourage your child to swing the paper cup. What happens when the cup moves?

Make sure to supervise children carefully.
