

Cardboard Kazoo

I can think creatively.

I can find solutions.

Play music with a cardboard tube!

Give it a Try!

1. Decorate your tube.
2. Cover one end of your tube with a piece of wax paper.
3. Wrap a rubber band around the tube to hold the wax paper in place.
4. Use a sharp pencil to poke a hole in the side of the tube.
5. Put the open end of your kazoo close to your mouth.
6. Hum or say "do" or "doe" over and over to make the kazoo sound.
