Secret Message Water Colors

Supplies:

- White paper & white crayon
- Paintbrush or sponge
- Liquid watercolor paint in a dark color such as black or purple

Directions:

- Use the white crayon to write a message or draw a picture on the white paper
- Use the paint brush or sponge to brush dark colored liquid water color paint over the entire sheet of paper
- Your secret message will appear like magic
- You may want to make many of these, because once kids see the magic effect, they want to do it over and over again
