

## Quick Reference Guide

Audience: Families.

Purpose: Learn how to view, add and remove Care

Circle members in SproutAbout.

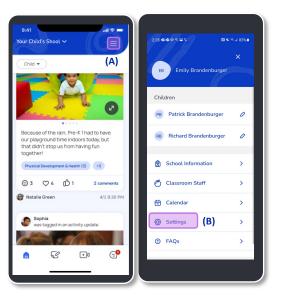

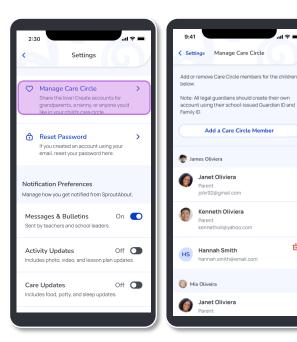

## View Care Circle Members.

Go to the Settings screen by tapping the Menu (A) button in the top right corner and then tap the Settings (B) button from the list of options.

- Next click on Manage Care Circle on the settings screen to be able to:
  - a) View the children for which you are a Legal Guardian
  - b) View the members of a child's **Care Circle**
  - c) Add Care Circle Member
  - d) Remove Care Circle Member

Quick Note: Below each child's name, you can view the people who can access SproutAbout and view information regarding this child.

## Add a Care Circle Member.

Add members to keep others updated on your child's activities, allow them to leave drop-off and pick-up notes, and include them in messages with teachers.

Tap the **Add a Care Circle Member** button to add a Care Circle Member (e.g., nanny, grandparent, etc.).

**Quick Note:** If you want to add a Legal Guardian, contact school leadership.

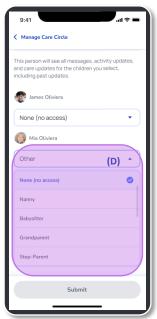

To add the new member, enter First Name (A), Last Name (B), and Email Address (C).

Tap the **Drop Down (D)** below each child's name and select the relationship that the new member has with the child.

**Quick Note:** You can choose access for each individual child. Select "None" if the Care Circle Member should not have access to a specific child.

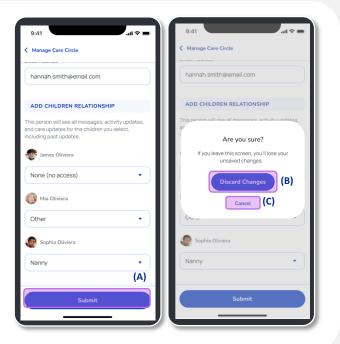

Once you've added information for the new member, tap the **Submit (A)** button to save your changes.

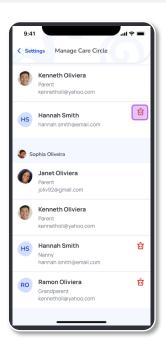

Quick Note: If you leave the screen without saving, a pop-up alert appears. Tap the Discard Changes (B) button to discard or tap the Cancel (C) button to keep your updates.

## Remove a Care Circle Member.

Tap the **Trash Can** icon **(m)** on the Manage Care Circle screen to remove a Care Circle Member.

**Quick Note:** Only Legal Guardians have the ability to remove Care Circle Members (e.g., nanny, grandparent, etc.).

Once you tap the Trash Can icon, a pop-up confirmation appears.

Tap the Remove Member (A) button to confirm your action or the Cancel (B) button to cancel it.
