Live Streaming Video View

**1** Tap the **camera icon** in the navigation bar to access the Live Streaming Video landing screen.

Quick Note: Some schools do not offer Live Streaming Video. If that is the case for your school, the **camera icon** will not be visible.
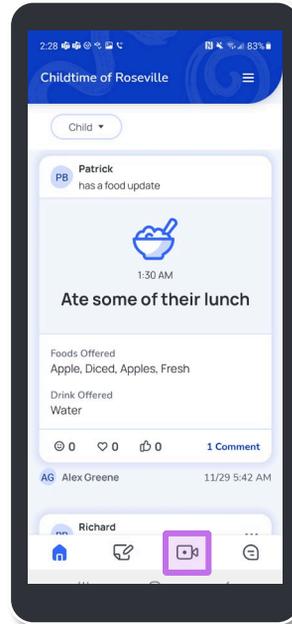

2 The **first time** you access the Live Streaming Video feature, a pop-up will appear.

In order to protect everyone's privacy, please **do not take any screenshots** while viewing the camera feeds.

Tap the **Got It** button to continue.

SproutAbout
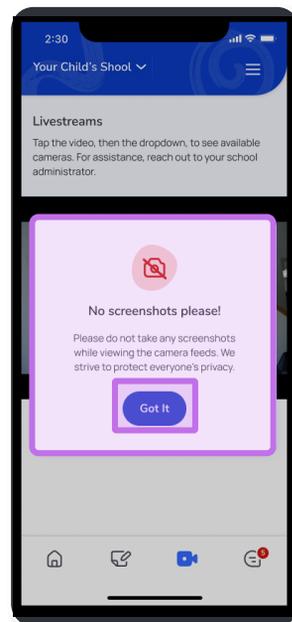

3 Tap anywhere on the video screen to show the **classroom cameras available.**
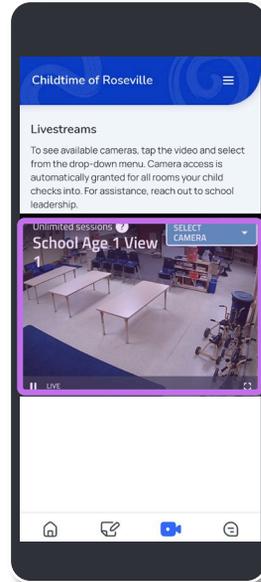

4 Tap the **Select Camera** button to choose which camera you would like to view.

Quick Note: You only have access to view the cameras for classrooms where your child is checked in.

SproutAbout.
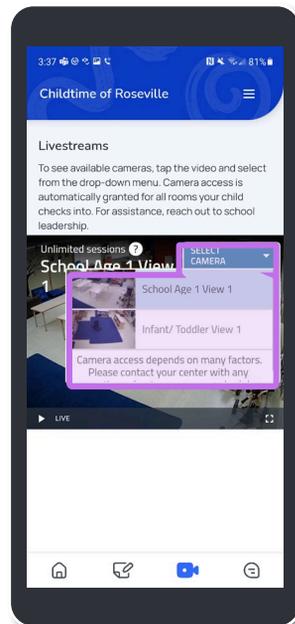

5 After you've selected the camera you wish to view, tap the **Play icon** button to start viewing Live Streaming Video.

6 Access the full screen view.

SproutAbout.
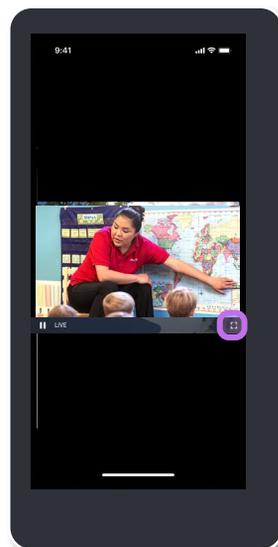

7 Live Streaming Video is available when your child is checked into a classroom at the school. If you tap the camera icon and there are no cameras available, you will see this message.

Quick note: When children are in common spaces, such as on the playground, the livestreaming feed will show an empty classroom.
