

CHANT

Butterfly on My Knee

(to the tune of "She'll Be Coming 'Round the Mountain")

*A butterfly just landed on my knee!
Can't you see?*

*Oh, a butterfly just landed on my knee!
Can't you see?*

*Oh, a butterfly just landed, a butterfly
just landed—Oh gee!*

*Now he's gone and flown away
from me!*

POSE

Butterfly

*A butterfly just landed on my knee!
Can't you see? (x2)*

With your baby sitting on your lap, put their feet together and look at them.

2

*Oh, a butterfly just landed, a butterfly
just landed—Oh gee!*

On "gee," gently pull your baby's legs straight.

3

Now he's gone and flown away from me!

Take your baby's hands and lift them up in a 'V' mimicking a butterfly flying away.
