

CHANT

My Little Froggie

(to the tune of "Lullaby and Goodnight")

*My little froggie, jumping kind of slow,
Jump, froggie, jump! There you go!
My little froggie, jumping kind of fast!
Jump, froggie, jump!
You jumped away at last!*

POSE

Frog

1 *My little froggie, jumping kind of slow,*
With your baby laying in front of you, pump their feet to bend their knees.

2 *Jump, froggie, jump! There you go!*
My little froggie, jumping kind of fast!
Pump your baby's feet faster to bend their knees.

3 *Jump, froggie, jump!*
You jumped away at last!
Playfully rrrribbit! and catch a fly with your tongue!
